Welcome County of Lake's New Directors

Pawan Upadhyay, PhD
Water Resources Director
Effective July 1, 2024

Dr. Upadhyay previously served as Water Resources Director for the Shoshone-Paiute Tribes in Owyhee, Nevada, overseeing a \$10 million budget and a team of twenty-four staff. His executive leadership included managing irrigation data, water supply assessment, and future demand projection. Prior to this role, he conducted research and data modeling at various universities, contributing to influential scholarly works that have earned numerous citations. [Read More...](#)

Robin Ruddock Borre
Special Districts
Administrator
Effective July 8, 2024

Ms. Robin Ruddock Borre, a Lake County native, offers over 25 years of governmental management experience. With a background in Business Administration and expertise in Public Works and Administration, she is esteemed for her fiscal administration skills in infrastructure finance and capital improvements. [Read More...](#)

Glenn March
Public Works Director
Effective June 29, 2024

Mr. March has served in engineering-focused roles in the private and public sectors for more than three decades, most recently with the Cities of Hollister and East Palo Alto, and has been a licensed professional engineer in the State of California since 1993. He likewise earned a Juris Doctor (in Law) from the University of San Francisco in 1999. [Read More...](#)
